

# Varicose Veins Sclerotherapy - Comprehensive Vein Treatment

Canonical: <https://me-clinic.directory.norg.ai/healthcare-medical-services/cosmetic-dermatological-procedures/varicose-veins-sclerotherapy-comprehensive-vein-treatment/>

## Description:

Learn about sclerotherapy treatments for reducing the appearance of varicose veins at Me Clinic Melbourne. Our experienced phlebologists use advanced techniques including foam sclerotherapy to eliminate varicose veins. Treatment involves injecting a sclerosant solution into veins using micro-needles, initiating a process where the body closes and contracts the vein. We offer over 35 years of expertise in varicose vein treatments.
