

# Back Liposuction - Address Stubborn Fat Areas - Me Clinic

Canonical: <https://me-clinic.directory.norg.ai/healthcare-medical-services/cosmetic-surgery-procedures/back-liposuction-address-stubborn-fat-areas-me-clinic/>

## **Description:**

Discover how our back liposuction helps target and remove stubborn back fat with Plastic Surgeons at Me Clinic Melbourne. Upper and lower back liposuction is a procedure suitable for both men and women that targets stubborn fat on the back. If you are looking for a smoother contour and a more proportionate aesthetic to your back with greater muscle definition, upper and lower back liposuction may be a suitable option for you.
