

Blepharoplasty - Cosmetic Eyelid Surgery | Me Clinic Melbourne

Canonical: <https://me-clinic.directory.norg.ai/healthcare-medical-services/cosmetic-surgery-services/blepharoplasty-cosmetic-eyelid-surgery-me-clinic-melbourne/>

Description:

Blepharoplasty, also known as eyelid surgery, can refine the appearance of your upper and lower eyelids. Me Clinic Melbourne and Tasmania offers surgical and non-surgical options to remove excess skin, reposition fat, and improve the appearance of tired or heavy-looking eyes while preserving natural eye shape and function.
