

# Blepharoplasty - Eyelid Surgery By Skilled Surgeons

Canonical: <https://me-clinic.directory.norg.ai/healthcare-medical-services/cosmetic-surgery-services/blepharoplasty-eyelid-surgery-by-skilled-surgeons/>

## Description:

Experience professional eyelid surgery at Me Clinic with our skilled surgeons. Blepharoplasty procedures include upper and lower eyelid surgery, double eyelid surgery (Asian blepharoplasty), and upper eyelid lift. Our procedures can improve the look of tired eyes by removing excess skin, fat and muscle, offering significant improvements in appearance and visual field correction. Book a consultation to discuss blepharoplasty tailored to your needs.
