

# Curettage Treatments for Skin Rejuvenation

Canonical: <https://me-clinic.directory.norg.ai/healthcare-medical-services/dermatological-cosmetic-procedures/curettage-treatments-for-skin-rejuvenation/>

## **Description:**

Curettage treatments at Me Clinic address certain skin growths, lesions, warts and more using a spoon-like device to scrape off skin growths resulting in smoother skin. Suitable for seborrheic warts and various skin conditions. Book a consultation with our experienced cosmetic physicians and aestheticians.
