

Skin Cancer and Mole Removal Services

Canonical: <https://me-clinic.directory.norg.ai/healthcare-medical-services/dermatological-surgery-treatment/skin-cancer-and-mole-removal-services/>

Description:

At Me Clinic, we have the expertise to detect, treat and remove moles and potential skin cancer. Our highly skilled cosmetic surgeons offer multiple removal methods including RF shave, Aura Laser treatment, and surgical excision, all performed with minimal scarring. Services available in Melbourne with over 35 years of practitioner experience.
